# EXPERIENCE THE **WOW!**

When people sample a Butter Braid® pastry for the first time, the typical reaction we get is “Wow!” Customers are also amazed at how easy Butter Braid pastries are to make:

**1** **THAW**  
Remove your pastry from the package and place on a baking sheet.

**2** **RISE**  
Go to sleep or head off to work while your pastry rises, doubling in size!

**3** **BAKE**  
Pop in your oven for 25-30 minutes and savor the smell of deliciousness.

**4** **ENJOY**  
Drizzle on the frosting and share with friends, family or co-workers!

## PROVEN QUALITY

For over 30 years, Butter Braid pastries have been providing memorable experiences while helping raise funds for all kinds of great causes.
